

# Workshop on B Physics at the Tevatron

## Run II and Beyond

September 23-25, 1999 • Fermi National Accelerator Laboratory, Batavia, IL

### List of Participants

|                    |                                       |   |
|--------------------|---------------------------------------|---|
| Anthony Affolder   | Lawrence Berkeley National Laboratory | affolder@cdfsg6.lbl.gov                 |
| Mohammad Ahmady    | University of Western Ontario         | mahmady2@julian.uwo.ca                  |
| Erika Alvarez      | Instituto de Fisica, UNAM             | erika@ft.ifisicacu.unam.mx              |
| Konstantin Anikeev | Massachusetts Institute of Technology | anikeev@fnal.gov                        |
| Jeffrey Appel      | Fermi National Accelerator Laboratory | appel@fnal.gov                          |
| David Atwood       | Iowa State University                 | atwood@iastate.edu                      |
| Trevor Bacon       | Imperial College                      | t.bacon@ic.ac.uk                        |
| Stephen Bailey     | Harvard University                    | bailey@fnal.gov                         |
| Christian Bauer    | University of Toronto                 | bauer@physics.utoronto.ca               |
| Gerry Bauer        | Massachusetts Institute of Technology | bauerg@fnal.gov                         |
| Alice Bean         | University of Kansas/Fermilab         | bean@fnal.gov                           |
| William Bell       | University of Glasgow                 | william.bell@cern.ch                    |
| Edmond Berger      | Argonne National Laboratory           | berger@anl.gov                          |
| Ikaros Bigi        | University of Notre Dame              | bigi@undhep.hep.nd.edu                  |
| Mary Bishai        | Fermi National Accelerator Laboratory | bishai@fnal.gov                         |
| Craig Blocker      | Brandeis University                   | blocker@fnal.gov                        |
| Geoffrey Bodwin    | Argonne National Laboratory           | gtb@hep.anl.gov                         |
| Joseph Boudreau    | University of Pittsburgh              | joe@cactus.phyast.pitt.edu              |
| Eric Braaten       | Ohio State University                 | braaten@pacific.mps.ohio-state.edu      |
| Gerhard Buchalla   | CERN                                  | gerhard.buchalla@cern.ch                |
| Andrzej Buras      | Technical University Munich           | buras@feynman.t30.physik.tu-muenchen.de |
| Gustavo Burdman    | University of Wisconsin Madison       | burdman@pheno.physics.wisc.edu          |
| Giovanni Busetto   | University of Padova/INFN             | busetto@pd.infn.it                      |
| Joel Butler        | Fermi National Accelerator Laboratory | butler@fnal.gov                         |
| Karen Byrum        | Argonne National Laboratory           | byrum@anl.gov                           |
| Neal Cason         | University of Notre Dame              | cason.l@nd.edu                          |
| Chao-Hsi Chang     | Chinese Academy of Sciences           | zhangzx@itp.ac.cn                       |
| Hsin-Chia Cheng    | University of Chicago                 | hcheng@fnal.gov                         |
| Harry Cheung       | Fermi National Accelerator Laboratory | cheung@fnal.gov                         |
| Gabriele Chiodini  | Fermi National Accelerator Laboratory | chiodini@fnal.gov                       |
| Farrukh Chishtie   | University of Western Ontario         | fachisht@julian.uwo.ca                  |
| Kihyeon Cho        | University of Tennessee               | khcho@fnal.gov                          |
| David Christian    | Fermi National Accelerator Laboratory | dcc@fnal.gov                            |
| Sergio Conetti     | University of Virginia                | sergio@virginia.edu                     |
| Jack Cranshaw      | Texas Tech University                 | jack.cranshaw@cern.ch                   |
| Saverio D'Auria    | University of Glasgow                 | dauria@fnal.gov                         |
| Kevin Davis        | University of Arizona                 | kpdavis@fnal.gov                        |
| Silvestro di Luise | INFN Roma 1                           | diluise@fnal.gov                        |
| Massimo Di Pierro  | Fermi National Accelerator Laboratory | mdp@fnal.gov                            |
| Simone Donati      | University of Pisa/INFN               | sdonati@fnal.gov                        |

|                      |  |                             |
|----------------------|--|-----------------------------|
| Isi Dunietz          | Fermi National Accelerator Laboratory    | dunietz@fnal.gov            |
| Nathan Eddy          | University of Illinois Urbana-Champaign  | eddy@fnal.gov               |
| Estia Eichten        | Fermi National Accelerator Laboratory    | eichten@fnal.gov            |
| Aida El-Khadra       | University of Illinois Urbana-Champaign  | axk@uiuc.edu                |
